# COMMUNITY ASSESSMENT SURVEY FOR OLDER ADULTS

Logo placeholder

## ABOUT THIS SURVEY

We need to hear from seniors in our community! We're conducting a survey to better understand the contributions, challenges, and needs of our residents age [55]+. This questionnaire covers different factors impacting older adults' quality of life, including local employment and volunteer opportunities, housing, accessibility, mobility, and physical and mental health. Your feedback will directly impact plans, programs, and services for older adults in [State/Community Name].

This survey is hosted on Polco, our secure civic engagement platform. Your anonymity is guaranteed, and your personal data will never be shared or sold.

## If you are age 55 or older, take the survey now:
